

AVENGER FLIGHT TRAINING

A320 Course Catalog 2024–2026

Professional A320 Type Rating Solutions

"Where Efficiency Meets Excellence"

WHY CHOOSE AFT?

ACCELERATED EFFICIENCY

Signature 6-day Upgrade course — significantly faster than the 8–11 day market average.

FLEXIBLE LEARNING

100% Aircraft Systems Ground School via CPaT distance learning before arrival on-site.

GLOBAL COMPLIANCE

Footprints engineered for both Domestic U.S. and Foreign ESTA (Visa Waiver) pilots.

TIER 1 TRAINING CENTERS

Multiple state-of-the-art Level D Full Flight Simulators meeting FAA Part 60 standards.

Customized training for Two-Pilot Crew pairings or Solo Pilot training with dedicated Seat Support.

A320 INITIAL TYPE RATING

Our most popular track for pilots seeking their initial A320 rating.

STANDARD (DISTANCE LEARNING)

Duration: 11 Days (Domestic U.S.) or 14–17 Days (ESTA)

Ground School: 100% via CPaT distance learning

Simulator: 24 hours FFS training (Crew) + LOFT

Evaluation: Oral and FFS evaluation by in-house evaluators

PREMIUM (INSTRUCTOR-LED)

Duration: 22 Days immersive classroom experience

Ground School: 64 hrs instructor-led + full CPaT access

Ideal For: Pilots who prefer face-to-face mentorship and a deeper dive into A320 systems

Evaluation: Oral and FFS evaluation by in-house evaluators

Launch your Airbus career with our high-tech "Fast Track" programs.

THE 6-DAY A320 UPGRADE

The fastest path to your A320 upgrade — back in the cockpit in just 6 days.

1	**Day 1**	Systems Integration (SIT) — 4 Hours
2	**Days 2–4**	FFS Training & Briefings
3	**Day 5**	LOFT (Line Oriented Flight Training)
4	**Day 6**	Oral Exam & FFS Check Ride

Crew: $8,900 per student

Solo: $13,500 (includes specialized seat support)

A320 RECURRENT TRAINING

Stay sharp and stay compliant with our ultra-efficient 2-day refresher.

2

DAYS

Domestic & International

THE FOOTPRINT

Day 1: 100% remote Ground School via CPaT — complete from anywhere before arriving on-site.

Day 2: Oral Evaluation and FFS Check Ride at our Tier 1 facility.

Result: Minimum dwell time — arrive, check ride, get back on the line.

Designed for both domestic and international pilots — minimal disruption to your flight schedule.

PRICING & PROGRAM OPTIONS

COURSE TYPE	TUITION (CREW)	TUITION (SOLO)
Initial (Standard)	$12,999	$22,900
Initial (Premium)	$18,500	$34,000
Upgrade / Reduced	$8,900	$13,500
Recurrent	$5,000	$8,500

All tuition prices are per student. Crew pricing requires a two-pilot pairing. Solo includes dedicated Seat Support.

THE AFT ADVANTAGE

Market comparison — how we outperform the competition
